

WEEROONA COLLEGE BENDIGO

Is proud to introduce our
2024 COLLEGE CAPTAINS

Aadildeep Singh

My name is Aadil Deep Singh and I am honoured to be selected as one of the 2024 College Captains. I joined Weeroona College Bendigo in March 2023 and in a short period of time I have found my place here. Like all students, I am still trying to develop as a better learner, leader and I strive to improve in all areas. I possess a keen interest in science and mathematics and wish to become a distinguished scholar of either discipline someday. I wanted to become College Captain to act as the voice of the students and an advisor to the teachers and staff. I am happy to be working alongside James, Axel and Madi this year.

Axel Boyd

Hi, my name is Axel Boyd. I attended White Hills Primary School. My time there was when I first embraced leadership as a student leader. Since then, I've aspired to continue leadership in secondary school. I have a passion for both Science and the Arts. I eagerly participate in school sports days, always striving for success. In the future, I hope to study Paramedicine. I wanted to be a College Captain because I had a goal to enhance, and positively impact, our school community. I aspire to be a person you can tell your ideas and concerns to. I am so grateful for this opportunity and look forward to working closely with Madi, Aadil and James in 2024.

James Treloar

Hello, my name is James Treloar, and I am extremely grateful and excited to take the role of College Captain for 2024, alongside Axel, Madi and Aadil. I attended White Hills Primary School and was a part of the school's rock band. I opted to run for College Captain as I have been a part of the Student Representative Council for three years now and love the ability to make an impact on the school. My goal for 2024 is to be an inclusive leader, and make sure that the requests of you, as my peers, are heard by those that can make a difference. As I stated in my speech, I intend to listen to every request, no matter how outlandish, and hope that anyone can feel comfortable talking to me about any concerns they have.

Maddison Gill

My name is Madi Gill, I attended White Hills Primary School and took part in the the Energy Breakthrough team. I fell in love with EBT, so I took my opportunity and raced for Weeroona College Bendigo with Mr McIntosh. I wanted to be College Captain because I looked up to many that came before me and saw the work they did to help the school to be a healthy and welcoming environment for many others. Not only do I want to make the school a better place for everyone, I also want to be someone you approach with any ideas and concerns that could impact our school community. I'm grateful, and lucky enough, to have chance to be one of the four College Captains alongside James, Axel and Aadildeep in 2024.
